## Dear Sponsor

The South African Principals' Association (SAPA) will be hosting the **NATIONAL SAPA CONFERENCE** at **INGWENYAMA CONFERENCE CENTRE** in the **MPUMALANGA** Province from **19 – 21 SEPTEMBER 2019**.

Our National and Provincial teams hosted many conferences with great success and many delegates, sponsors and presenters always comment on the excellent organisation, administration, programme, etc. We hope to build on the past few years' successes as we host our NATIONAL conference at in the White River Region.

The theme for this conference is **"The Big 5 in Education"**. We will have a great line-up of presenters. We are hoping to attract many principals, deputy principals and other educationists from across Mpumalanga to the conference, with forecasting a delegate total of 800 delegates.

**We would like to invite you to be part of this exciting event as a sponsor or exhibitor of the conference.** As SAPA is a non-profit organisation, it depends on companies, who are passionate about education or those who recognize the importance of their social responsibility to assist us financially. With your support we can ensure the success of this conference and in so doing contribute to bringing about the change needed in schools across South Africa.

Please review the following conference packages and inform us if you would like to participate in this exciting National conference as an exhibitor or sponsor.
