

Deshun Deysel is a pioneer, adventurer, entrepreneur, wife and mother.

Her thought provoking presentations leave audiences with a sense of *“just go out and do it!”* energy, which carries them for months and even years. She has addressed thousands of audiences worldwide, with her remarkable story of overcoming the limitations that the Apartheid regime has set for women of colour, to conquering the world of mountaineering and then spearheading new cognitive technologies in the world of business.

In addition to becoming the world’s first Black female high altitude mountaineer, Deshun’s determination has led her to running an international business (Deshun Deysel & Associates) which provides Business & Executive Coaching for a new breed of digitally savvy leaders. Among DDA’s clients are Fortune 500 companies and disruptive start-ups!

With over 20 years’ experience as Facilitator, Trainer, an international speaker, moderator and coach, Deshun adds incredible value to clients and helps them achieve their desired objectives.

Recent projects done with the following clients:

EXCO Teams: ALTRON , HIPPO, Dial Direct, SAICA, True North Strategy, ABSA Group, Japan Tobacco International, Mercedes Benz, Group M, OZOW, Smith Manufacturing to name a few...

Strategy Sessions, Team Collaboration, Diversity and Inclusion, Regional Marketing Structure, in house master classes on “Using coaching as a performance management tool”... and many more
